"Availability of the Classified Schedule of Authorizations and Classified Annex of the Conference Report to Accompany HR 2082, The Intelligence Authorization Act of Fiscal Year 2008

The classified schedule of authorizations and the classified annex of the conference report to accompany HR 2082 is available for review by Members at the offices of the Permanent Select Committee on Intelligence in room H-405 of the Capitol. The committee office is open during regular business hours, and Tuesday evening during votes, for the convenience of any Member who wishes to review this material prior to the consideration of the conference report by the House. Members wishing to review this material should contact the committee to arrange a time and date for that viewing.

In addition to signing the oath for access to classified information specified in clause 13 of Rule XXIII of the House Rules, committee rules also require that Members agree in writing to a nondisclosure agreement that indicates that the Member has been granted access to the classified schedule of authorizations and classified annex, and that they are familiar with the rules of the House and the committee with respect to the classified nature of that information and the limitations on the disclosure of that information."
